CASE STUDY

FORTUNE 500:

When a Fortune 500 company reviewed its Pandemic Flu planning, they realised that they needed more than just some 'off-the-shelf' first aid supplies. **They needed 10,000 custom made biological protection kits** - and needed them without delay. Fortunately, L E West and its **dedicated team of pharmacists and procurement specialists** were ready to assist.

PERSONAL ATTENTION

From the moment the call came in L E West's team of Pharmacists were designing and sourcing the most effective equipment, consumables and drugs for inclusion in the Pandemic Flu Packs.

BIOLOGICAL PROTECTION SUIT (M2737)

Calling upon their extensive contacts with manufactures around the world, L E West was able to organize not only a steep **bulk discount** for the client but also a rapid and discreet delivery.
