## MERCHANT SHIPPING SOLUTIONS

L. E. West Ltd is a leading supplier of pharmaceuticals, surgical / medical equipment, medical consumables and first-aid supplies to the maritime community worldwide.

Our services are aimed at providing total medical and pharmaceutical supply solutions to a global client base. Working constantly to fulfill our customers' needs, we have built our business on foundations of professionalism, competitive prices and reliable delivery. With a wealth of experience and backed by a dedicated team of UK Pharmacists, L.E. West has gained a world-class reputation for expertise, service and commitment in this specialist field.

### *Complete Medical Scales For Every Flag*

With so many different medicines and regulations worldwide, ships medical stores often go neglected. This is one problem that the merchant shipping specialists at L E West can solve for you. By providing a single source for all your medical needs, coupled with seasoned UK Pharmacists, we can ensure that your vessel is up to code and prepared for any contingency... *or port inspection!*

We offer complete turnkey solutions for vessels ranging from Tugs to Tankers. With convenient replenishment schemes, bi-yearly certification and extremely competitive pricing, L. E. West will save you and your crew both time and money.

Depending on destination, order size and level of urgency, orders can normally be dispatched *within 24 hours* using the

most economical and reliable methods available.

**Whatever your needs, we will source and deliver your medical supplies and equipment anywhere in the world.**
