## **SPECIALIST YACHT SOLUTIONS**

L. E. West Ltd is a leading supplier of pharmaceuticals, surgical / medical equipment, medical consumables and first-aid supplies to the maritime community worldwide.

Our services are aimed at providing total medical and pharmaceutical supply solutions to a global client base. Working constantly to fulfill our customers' needs, we have built our business on foundations of professionalism, competitive prices and reliable delivery. With a wealth of experience and backed by a dedicated team of UK Pharmacists, L.E. West has gained a world-class reputation for expertise, service and commitment in this specialist field.

### ***Complete Medical Kits for Every Class of Vessel***

Whether you're stocking a small sailing yacht or a worldwide super cruiser, whether the vessel is crewed by friends and family or run as a commercial enterprise, L. E. West can provide you with the advice and supplies to help prepare your vessel for every regulation and medical contingency.

Depending on destination, order size and level of urgency, orders can normally be dispatched *within 24 hours* using the most economical and reliable methods available. Regardless of size or geographical location, all L.E. West customers benefit from our unique combination of logistical skill and personal attention.

**Over 2500 products online!**

**20,000 products in inventory!**
